Subject: Response to EPA Comments Dated June 17, 2002
Interim Measures Post Remediation Report – Sand Blast Grit Area
Delaware City Plant RCRA Corrective Action Program

Dear Ms. McCartney:

Following this letter are responses and clarifications to the EPA comments, received in a letter dated June 17, 2002, on OxyChem's January 21, 2002 *Post Remediation Report – Sand Blast Grit Area*. OxyChem will contact EPA to schedule the Post Remediation Inspection following removal of the surface grit at select areas agreed to with EPA (around confirmation samples 1, 3, 5, 8, 13, and 16).

Certification

I certify that the information contained in or accompanying this letter is true, accurate and complete. As to those portions of this response for which I cannot personally verify their accuracy, I certify under penalty of law that this letter and all attachments were prepared in accordance with a system designed to assure that qualified personnel gather and evaluate the information submitted. Based upon my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

If you have any questions, please do not hesitate to call. I can be reached at 859-543-2174.

Sincerely,

Donald W. McLeod, P.E.
Director, Operations
